

What to do if you are concerned about a child.

Children and young people have the right to grow up safe from harm or abuse. If you are worried about a child or young person, please tell someone about your concerns. You can contact our Designated Officers by visiting the [Contact Us](#) page of the website. Alternatively, you can email one of our Safeguarding Officers in confidence at admin@claremont.manchester.sch.uk

Don't think "What if I'm wrong?" - think "What if I'm right?"

If you have any serious concerns about a child at Wilbraham Primary School, please do not hesitate to contact one of our Designated Officers in school who will know who to contact for the best advice and help and are experienced in using the appropriate degree of confidentiality.

Our Designated Safeguarding Officers can be contacted via the school office at any time.

Don't forget – you can always talk to us at school even if you just need advice about who the best person would be to contact externally. We know who to contact and we can point you in the right direction.
