

Counting

Year 5 & 6

End of year expectations

Year 5

- Count forwards and backwards in steps of powers of 10, up to 1,000,000
- Count forwards and backwards with positive and negative whole numbers, including through zero
- Count up and down in thousandths
- Counting on a number line in decimals and fractions, bridging zero
- Recall multiplication and division facts for up to 12x12

Year 6

- Compare numbers up to 10,000,000
- Count forwards and backwards with positive and negative whole numbers, including through zero
- Undertake mental calculations with increasingly larger numbers and more complex calculations
- Generate and describe linear number sequences.
- Recall multiplication and division facts for up to 12x12

In Year 5 and 6, children will be expected to :

- apply all the multiplication tables and related division facts frequently ,
- commit them to memory, and
- use them confidently to complete larger calculations.

Multiplication Tables

Children are encouraged to practise and become confident in all multiplication (and related division) facts, using TTRockstars.

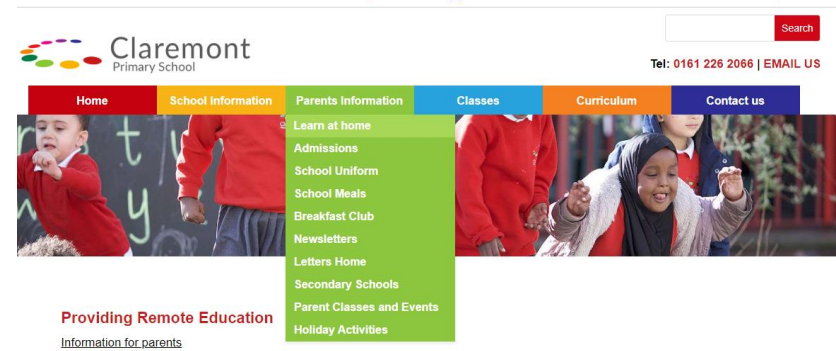

Weekly homework will be set, for children to practise and improve their skills.

End of primary expectations

- SATs in May (Year 6)
- Teachers will meet with parents in Spring term to discuss preparation for SATs.

How to access TT Rockstar

- The easiest way is to go to Claremont website.
- Click on Parents information
- Then choose – Learn at home

- Alternatively, click on this link
- <https://claremontprimary.com/learn-at-home/>
- You will then be able to see a link to TT Rockstar

Times Table Rockstars
